**ON PETITION**

This is a decision on the petition under 37 CFR 1.137(b), filed July 25, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action mailed January 11, 2008. This decision precedes the mailing of a Notice of Abandonment. On July 25, 2008, the present petition was filed.

The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2)), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(II)(A)(2).

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE), including the fee of \$810 and the submission required by 37 CFR 1.114; (2) the petition fee of \$1,540; and (3) an adequate statement of unintentional delay.

This application is being referred to Technology Center AU 2621 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
